Sock Snowman

What you need

- White sock
- Yarn
- Pom-Pons
- Beads or buttons
- Felt
- Rice
- Wiggle eyes
- Glue

Make a fun,
simple sock
snowman!

How to make it

Fill the sock about 2/3 full with rice. Use the yarn and tie the sock closed about one inch above the rice. Divide the rice-filled section of the sock almost in half. You will want the section closest to the top to be a bit smaller. This will be the snowman's head. Tie a piece of yarn tightly around the sock where you divided into two sections.

Roll or fold down the top, empty half of the sock so it looks like a hat.

Glue a large pom-pom on the top of the hat. Use a piece of felt and cut out a scarf shape.

Tie it around the neck of the snowman where you tied it with the yarn. Secure with a little bit of glue. Use wiggle eyes, beads, smaller pom-poms, buttons and/or scrap felt to make your snowman's features.

You can give him eyes, a carrot nose, mouth, buttons — use your imagination!

*A fun
decoration
that is easy
to create.*
